CABERNET SAUVIGNON

2006 Napa Valley

Vineyard:

The weather stayed very cool throughout the 2006 harvest and the grapes struggled for the last bit of ripeness which finally arrived the last weekend in October. The personality of this wine conveys pure Cabernet fruit flavors from our clone 4 selection and truly echoes the spirit of this seasons late harvest. Black cherry, blueberries, currant and cassis with a hint of mocha and toast carry forward with rich fruit flavors throughout the palate followed by a long and luxurious finish.
